

Achieve greater outcomes with employee recruitment and retention.

Bolster your HR processes at no additional cost through the services of California Coastal Real Estate.

Here is a sampling of the things we do to help your employees make the most of the Central Coast:

PRE-HIRE

- Perform an applicant “intake” to assess lifestyle needs and financial objectives
- Provide customized materials showcasing the beauty of SLO County & its educational, cultural & economic vitality
- Conduct personalized county-wide tours to demonstrate how one can live, work and play in our area
- Identify real estate options that best fit your applicant needs

POST-HIRE

- In-depth tours of local neighborhoods to find the home and community they love
- Assist with temporary housing needs
- Coordinate logistics of the move
- Provide referrals to trusted local professionals, from gardeners to CPAs and everything in-between
- Provide resources to assist with school enrollment

EMPLOYEE RETENTION

- Assess employees’ personal and financial needs
- Create a plan to make SLO County real estate obtainable and affordable
- Provide referrals to lenders and other financial professionals
